Timely help for waterspout victims

Penang, 3 April 2019 – Eastern & Oriental Berhad (E&O) extended a helping hand to the residents of Tanjung Tokong who were affected by the Monday waterspout incident.

Teaming up with its main contractor Kerjaya Prospek (M) Sdn Bhd, the premier lifestyle developer had the zinc roof sheets of two houses, a community hall and the Tanjung Tokong police station replaced.

The joint initiative also saw their workers doing repair works on the building structures.

Led by the team from Tanjung Bungah assemblyman Zairil Khir Johari's service centre, the volunteers later distributed 100 packets of *nasi kandar* and bottled water to the affected families.

E&O senior general manager Datuk Zawawi Yusop said the management team quickly got in touch with Zairil's office to offer help upon learning about the incident.

"E&O's legacy in Penang extends beyond building landmark developments. We are also intent on taking care of the communities that we operate in and we thank our contractor for their support," he said.
